Solid Rocket Motor test at Marshall set for Tuesday

Marshall team members are invited to view a 48-inch modified NASA Solid Rocket Motor test at 4:45 p.m. CDT Tuesday. The test will last 28 seconds and can be seen from the public viewing area off Dodd Road near the Marshall Center Test Area.

**Marshall welcomes
Dr. Adena Loston,
NASA associate
administrator for
education, and
Moonbuggy Race
teams**

**Gravity Probe-B
briefing with
Marshall Deputy
Rex Geveden on
NASA TV, noon
CST Friday**

Training courses open for new civil service supervisors

Registration for two required training courses for new civil service supervisors is open. Both courses will be held at the Marshall Institute. "Introduction to Supervision" will be Monday-Friday; "Creative Problem Solving" will be April 26-28. Both are 8 a.m.-4:30 p.m. For details, e-mail pat.schultz@nasa.gov.

'I Am Set' mentors needed

Mentors are needed to work with high school students during a high-tech summer internship for the Individuals with Disabilities in Math, Science, Engineering & Technology ("I Am Set") program scheduled for June 7-July 16. For more information, including location and times, call Dr. Barbara Cady, project director, at (256) 372-4041 or Madeline Hereford in the Marshall Center's Equal Opportunity Office at 544-7420.

**Daylight-saving
time begins
Sunday. Set clocks
ahead one hour**
